He returns at a moment of surprising calmness. It requires a heavy faith that emotions are just above the threshold that faith and courage can climb. In order to look until the full waves of it all of us. From Garden it makes a whole about this, you know.

### TYPE OF BEAUTIFUL MAN

### COMMENTS BY THE AUTHOR

Born September 1st. Virgo. Blood type: AB

When he was little he was called "Yuu Yuu". Was reluctant towards that pet name and still is (angry). Anyhow, though he thought he wanted to live masculinely, his surroundings interfere with that plan (angry)
